

Appointment Information for Vascular Patients

Mayfair Diagnostics will contact you to book your appointment.

Date: _____

Time: _____

FOR YOUR APPOINTMENT

1. Please **bring your Alberta health card.**
2. **Stay on any prescribed medications.**
3. **Please do not bring children** who require supervision.
4. **Arrive a few minutes early for your appointment.** Please call 403.777.3000 if you are running late or need to reschedule your appointment.
5. **Kindly advise us of any limitation of mobility** prior to your exam.
6. **We will coordinate your appointment** with your vascular surgeon to ensure you will have both appointments on the same day if required.

Please note: The vascular lab has changed location and is no longer at Mayfair Place (on Elbow Drive). The lab has been moved to accommodate same-day, out-of-town vascular surgery appointments.

VASCULAR ULTRASOUND PREPARATION INSTRUCTIONS

Aorta/Iliac or Aortic Stent (EVAR) Surveillance

Ultrasound assessment of the blood vessels in the abdomen can take up to 30 mins. If possible, we advise you to eat a light breakfast with no dairy to aid the sonographer in gaining high-quality images.

Peripheral arterial Doppler (lower or upper extremity) for bypass, angioplasty, stent, or peripheral arterial disease surveillance.

Ultrasound assessment of the blood vessels, depending on the location of the scan can take up to 1.5 hours. No preparation is needed. Shorts or T-shirts are provided to ensure the sonographer can access the area which needs scanning.

Carotid and Vertebral

Ultrasound assessment of the blood vessels in the neck can take up to 45 minutes. No preparation is needed.
