MAYFAIR DIAGNOSTICS MAYFAIR PLACE RE-INTRODUCES ECHOCARDIOGRAPHY SERVICES

We are pleased to announce the re-introduction of echocardiography imaging services at our Mayfair Place location, effective June 19, 2023.

We are again offering this service, interpreted by our fellowship-trained radiologists, in response to the demand from the community and to more comprehensively serve your patients. The slate of Mayfair's cardiac imaging services now includes echocardiography, exercise stress testing, and myocardial perfusion imaging (MPI), as well as private pay cardiac-specific CT coronary calcium scoring and CT coronary angiography. All cardiac services are offered at our Mayfair Place location.

Echocardiograms, exercise stress testing, and MPI are covered under the Alberta Health Care Insurance Plan. Exercise stress testing and MPI are supervised by an internal medicine specialist.

For MPI, the patient's rest and stress studies will be processed and then reviewed by a nuclear medicine radiologist. Your patient's results will include the following:

- Rest and stress imaging report.
- Specialist consultation report.
- Treadmill report.

To order any of our cardiac imaging services, use the Mayfair Diagnostics Cardiac Requisition form and check off the applicable exam.

Please fax the referral form to 403-777-3001 or call the Mayfair Diagnostics booking line at 403-777-3000 and press 2 for the physician line.

If you have questions, please contact BD@radiology.ca.
